Next School Nurse Drop In Session

**Thursday 4th November
from 8.40am**

The nurse will be available to discuss any health or behaviour issues you may have, regarding your child.

No appointment is necessary, just hand your name in at the main office on that morning.

Super Sunflower

This is a photo of Holly Holmes, in Year 3, with a sunflower which she began to grow in year 2. The sunflower is now fully grown and as you can see it is even taller than her! When the flower dies, she plans to take out the seeds and feed them to the birds.

Thanks for the photo Holly!

Brownie Group Celebration

In September all the Brownie groups around the North East gathered for various events, ours being in the Bents park for the Brownies Centenary Celebrations. The Children were able to see Brownie, Guides and Rainbows over the years and make crafts and do various activities like rock climbing, ice skating. The day went off rather smoothly, although it was a cold autumnal day.

In The picture Emily McKerrill, Sarah Wilson and Leonie Frazer have a go at the Ice Skating.

Thanks to Mrs McKerrill for the article.

Walk To School Week

Well done to everyone who has managed to walk to school each day this week. As part of National Walk to School Month, we chose this week to ask the children to take on some extra exercise and walk to school.

Not only does walking keep you fit, but it's great to chat to friends on the way too!

Badminton Activities

On Thursday 15th October, some of our children from Years 3 & 5 went to Temple Park Leisure Centre to take part in some badminton activities.

Both Ben and Shaun in Year 3 had a really good time. Ben thought the activities were lots of fun and Shaun said he liked the shuttlecock throwing activity the best.

Year 5 took part in the same kind of activities in the afternoon and had great fun!

It was a great opportunity for the children to try a different sport too.

New Nursery Children

Our new Nursery children have been learning all about colours, this half term. They have been making colour collages and handprints.

We interviewed some of the Children to see what they liked about their new Nursery.

Madeline told us that she loves playing with the blocks and other toys. Harvey likes painting and making things. Tai loves to climb on the outdoor equipment, as well as playing with the worms with Ethan!!!
